

Conditions for traveling to Thailand (From 1 July 2022)

Updates on Thailand Pass

- The Government of Thailand announced to discontinue/lift Thailand Pass registration for all travelers, both Thais and foreigners.
- The current USD 10,000 insurance requirements for COVID treatment for foreign travelers will no longer be mandatory but is highly recommended.
- Travelers still need to show proof of either a vaccine certificate OR COVID-Free test results. Vaccine certificate or Pro-ATK/RT-PCR results (within 72 hours) will be checked by airline staff at check-in and once again when travelers arrive in Thailand.
- This new Thailand Pass measure will be effective from 1 July onwards.
