Dear Sir/Madam,

Subject: Result of the Circulation of the Preliminary APT Common Proposals for World Radiocommunication Conference 2015 (WRC-15) and Radiocommunication Assembly 2015 (RA-15) for Endorsement of APT Members

I would like to refer to my letter Ref: APT/2015/APG-15/2 dated 14 August 2015 regarding circulation of PACPs for WRC-15 and RA-15 for endorsement of APT Administrations.

I am pleased to inform you that by the deadline of 2 October 2015, we have received endorsements from 33 APT Members. The number is encouraging and I would like to thank you for your endorsement for the PACPs for WRC-15 and RA-15.

Please see the table in the attachment which shows the support or opposition of the APT Members for each PACP. The last column of the table indicates the number of supporting and opposing Members for each PACP. Based on the approval procedure for the APT Common Proposals (ACPs), all PACPs have received the required number of endorsements for becoming ACPs. Those ACPs have been sent to ITU for further processing.

I take this opportunity to sincerely appreciate your timely response and cooperation on this matter. I hope that our regional solidarity and unity will be maintained during RA-15 and WRC-15 and wish for good outcome that can benefit the Asia-Pacific region.

Yours sincerely,

Areewan Haorangsi
Secretary General
