Ref. APT/2020/AWG-26/CL

21 October 2020

Dear Sir/Madam,

Subject: Request for information to update APT Report (APT/AWG/REP-15 (Rev.6))

I would like to refer to the 26th Meeting of the APT Wireless Group (AWG-26) which was held virtually from 14 to 18 September 2020. AWG-26 agreed to update the APT Report on “Information of Mobile Operators’ Frequencies, Technologies and License Durations in Asia Pacific Countries” in order to reflect the latest information of each APT Member country.

The above-mentioned report ([APT/AWG/REP-15\(Rev.6\)](#)) contains the information on the licensing of the terrestrial mobile cellular networks in the APT Member countries such as operators’ name, frequency band, technology used in the frequency band, and license duration.

In this connection, I would like to request your Administration to review the information in the attached report and provide the updated information to APT Secretariat by email to aptawg@apt.int prior to the 27th Meeting of the AWG (AWG-27) scheduled to be held in the first quarter of 2021.

I thank you for your cooperation and look forward to your timely response.

Yours sincerely,

Areewan Haorangi
Secretary General
