Ref. APT/2021/APTYPS/2021-1

28 January 2021

Dear Sir/Madam,

Subject: Proposal for APT Young Professional and Students Programme 2021

Please refer to the decision of the 44th Session of the Management Committee of the Asia-Pacific Telecommunity (MC-44), which was held virtually from 7 to 10 December 2020. I would like to inform you that the MC-44 approved APT Young Professional and Student Programme (APTYPS) 2021 as one of the activities of Work Programme - Youth/Women in ICT.

The objective of the APTYPS is to encourage young professionals and students to develop their knowledge and skills on ICT in the Asia-Pacific region. It may also provide a platform to discuss and raise awareness on ICT related issues among the young professionals and students.

In this regard, APT Member Administrations are encouraged to consider organizing this year's APTYPS. This will serve as a great opportunity for the Members to promote ICT policies and initiatives to young professionals and students. Members that wish to organize the APTYPS 2021 are requested to submit the proposal to APT Secretariat by email to aptyps@apt.int preferably **by 28 March 2021**. The APTYPS 2021 Guideline is also attached herewith for your reference.

I look forward to receiving your proposal to implement the programme with success.

Yours sincerely,

Areewan Haorangsi
Secretary General
